EAT (RED) SAVE LIVES

Activist, inspirational speaker and ambassador for all things Thai food, Chef Hong Thaimee is a force to be reckoned with! Born and raised in Chiang Mai, she knew her mission in life was to cook Thai food for the world.

Chef Thaimee moved to New York with nothing but a dream to bring real Thai flavours to the USA. Quickly rising through the ranks of the culinary world, she now serves some of the freshest, most inspiring dishes at her Thai restaurants and is a proud author of her highly-reviewed cookbook, "True Thai".

The story doesn't end there. Using her platform, Chef Thaimee joined the fight against HIV/AIDS with EAT (RED) to raise awareness and support fundraising efforts. As part of her push, AirAsia and Chef Thaimee are proud to introduce the delicious INSPI(RED) burger to our Santan menu, incorporating her Chiang Mai roots into the sauce and patty, and beetroot into the fluffy buns. 10% of sales from each burger will go directly to support HIV/AIDS programmes in ASEAN.

FROM THE GROUND TO THE SKY

Each drop of water goes through a natural filtration for 50 years before reaching the underground reserve, making every sip a pure pleasure, even at 35,000ft. The secret behind the refined taste of our water lies in the pristine outskirts of a forest reserve in Pendang, a district in the state of Kedah famous for paddy fields.

It all began when a group of Malaysian rice farmers chanced upon the natural spring that gave a new lease of life as the water improved the quality of their crop. With this invaluable source of clean water, we believe nature's treasures are meant to be shared for all. Sit back, relax and enjoy the taste of bliss.
